

Demonstration – Stay at Home Supplies

Gathering emergency supplies can often be overwhelming and confusing. Showing a visual display of emergency supplies can help show people what to collect, and be more prepared for emergencies

Tip: Use your gathered supplies as an emergency kit for your organization
or
Raffle the emergency kit off at a community preparedness event

First: Gather the listed supplies on the "Stay at Home Supplies" brochure insert. (Provided in the Tool Kit in the "Handouts" section)

Second: Display the supplies in a public place in your organization - such as the lobby or waiting room

Third: Place handouts next to the display so that people can receive more information about preparing for emergencies.

Prepare.

Practice.

Participate.
