	with families in Ramsey County. They would prefer the social worker make the referral. They accept MA, waived funds, private pay as well as some Health Partners contracts.		
Families First	This program is run by Model Cities. It is a short-term (4-week) intensive program that works with families in crisis situations. The families generally need to develop concrete communication, problem solving or relationship skills in order to prevent further crises from developing. In-home therapists work with families to resolve the current crisis situation, through often families are experiencing multiple stressors and need longer term services, in which case Families First acts as a “bridge,” providing referrals to services providers who can assist long term. The case manager will need to fill out a referral form and complete a more thorough phone referral after Model Cities has received the referral form. Case managers can contact Judith Zimmerman MA, LMFT, to discuss referrals. There is no fee to the family for the service.	839 Univ. Av. St. Paul, MN	651-221-4442 (General) 651-293-1928 (Fax)
Family Based Therapy Associates	Family Based Therapy Associates works with county agencies and insurance plans (we do not have a contract with them). They offer flexible hours and both in-home and out-patient services. They function primarily in Anoka county but are interested in expanding their services.	Anoka County	(763) 780-1520
Generations	This program has long term in-home family therapy available	2331 University	(612) 676-1604

	<p>for our clients. The therapist may often team with a life skills worker, a social skills worker or a mentor if they believe it is a need the family has.</p> <p>Generations accepts MA funding. If a family is able and willing to pay out of pocket, they may do so. Private insurance and PMAPs are not accepted. The county has a contract with Generations so a case manager may be able to access family preservation funds or Collaborative Funds to pay for this service if there are no other funding resources are accessible.</p>	<p>Avenue SE Suite 150 Minneapolis, MN</p>	
<p>Intensive Family Intervention Program (IFIP)</p>	<p>This program is run through the Eagan Counseling Clinic. It is a 4-6 week program that works intensively with families in more critical situations. The only person in the Mental Health Unit who can refer to this program is the Intake Worker (i.e. Karen Matts). If the case manager is aware of a case that will be assigned to him or her and the family may benefit from IFIP, Karen would need to make the referral before the case is officially transferred. There is no fee to the family for the program.</p>	<p>Eagan, MN</p>	<p>651-365-8219</p>
<p>Intensive mental health services (White Bear Lake Area Community Counseling Center)</p>	<p>Intensive mental health services (IMHS) is a program provided by the WBLACCC. Its primary function is to provide youth with mental health services that are not often covered through health insurance (in-home therapy, treatment provided in community sites, parent sessions, etc.) as well as traditional therapy services. The primary client must be enrolled in a White Bear Lake Area</p>	<p>White Bear Lake</p>	<p>Referral questions should be referred to Adriane Sankey at (651) 429-8544.</p>

	School and be from 5 to 17 years of age.		
La Familia Guidance Center-Adolescent Service Grant (Aggressive Adolescent program)	This agency works with Spanish-speaking and English speaking Latino families. They will provide in-home therapy for children in foster care settings as well as those residing at home. They have successfully worked with all the area PMAP programs and private insurance providers in addition to MA. Social workers can refer to the program, as can families if the services will be covered under insurance.	155 South Wabasha Street St. Paul, MN 55107	(651) 221-0913
Multi-Systemic Therapy (MST) Thad Wilderson and Associates/Face to Face	This program is funded through the Adolescent Services Grant so there is no cost to the families. This program focuses on the needs of children with documented violent behavior and tries to maintain them within the community. The workers are involved with the family for up to six months and are available via pager 24 hours a day (at Face to Face). Each agency uses a slightly different referral form. The case manager can call the appropriate agency to obtain the referral form.	St. Paul	Thad Wilderson (651) 225-8997 Face to Face (651) 772-5617 (Betsy Clipper)
Outreach Counseling and Consulting Services	This organization can do assessments and testing as well as therapy in the client's home. Licensed LP, LICSW, and LMFT therapists are utilized. Case Managers or families may call to make a referral, however case managers are preferred if possible. They do accept Health Partners PMAP with HP approval. If the service is to be in the home and not in the office Health Partners will need to give approval and get an updated treatment plan from the provider	3570 Lexington Avenue N. 	<p>every three-four sessions. They also accept some private insurance and MA. Although they have one therapist who has at times received approval from U-Care to see a family, U-Care and Medica are usually not accepted.</p>		
<p>Nystrom and Associates</p>	<p>This is a more traditional long term in-home therapy program. They accept MA as well as U-care and Health Partners PMAPs. Families may self refer if a health plan will cover the costs however they prefer a social worker refer so as to ensure all the information they need is obtained.</p>	<p>New Brighton</p>	<p>(651) 628-9253</p>
<p>STAR Program (at Northwest Youth and Family Services)</p>	<p>STAR is a program run through the Moundsview and Roseville school districts. STAR connects children with therapists at NYFS (who can bill through insurance), but it exists to help get students who otherwise couldn't make it into an office to get therapy (i.e. the therapist can come to the school to see the student, go to their home, or there are funds to help with taxi services, etc.). Carolyn Larson is the contact person at NYFS for the program, however the referrals come through the school.</p>	<p>Shoreview, MN</p>	<p>(651) 379-3426</p>
<p>Totems, Inc.</p>	<p>Totems is a relatively new in-home family service organization. Heidi Presslein and Kathy Patras are their current therapists. They currently have contracts with MA and are working on other health insurance plans. They have a contract with Ramsey County to provide in-home services.</p>	<p>Stillwater, MN</p>	<p>(651) 275-0441</p>
