Pets in Ramsey County Parks and Open Spaces

Woodview

Where are pets allowed?

Pets are allowed on most trails or in designated off-leash dog areas. Guide animals assisting blind or impaired persons are permitted in all areas and park structures.

Where are pets NOT allowed?

Beach areas, golf courses, picnic areas, park buildings, wildlife preserves, park shelters or nature interpretive areas.

Must my pet be leashed?

Yes, your pet must be either caged or on a leash no longer than six (6) feet in length, except in designated off-leash dog areas.

Must I clean up after my pet?

In order to maintain a clean and sanitary environment for all, owners are required to clean up and dispose of pet feces in a sanitary manner.

What are Off-Leash Dog Areas?

As urban areas develop, owners increasingly use parks to exercise their dogs. County ordinances limit dogs in parks and require users to have pets leashed or, in many cases, restrict pets from many areas of the parks. However, dog owners have recently become more vocal and organized against these restrictions, petitioning for increased freedom with their pets.

Battle Creek Regional Park

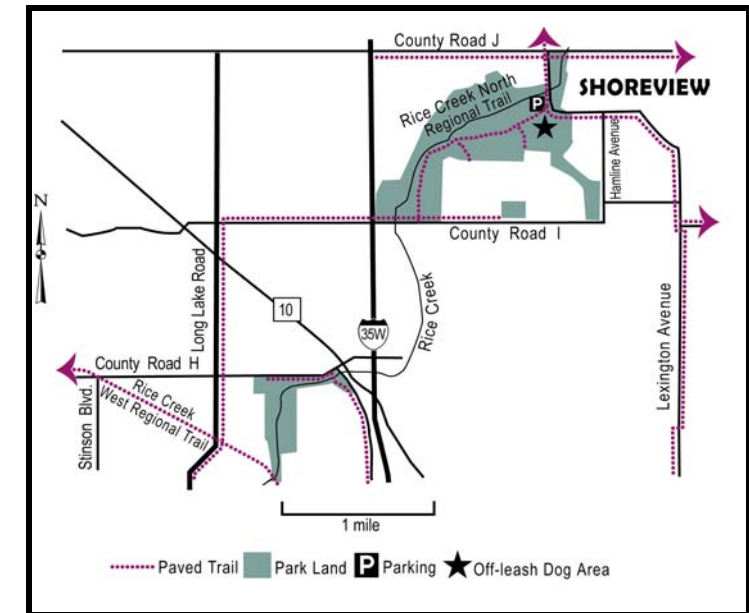

In response, Ramsey County has designated spaces where dogs are allowed to exercise and socialize without being leashed. Off-leash dog areas are a legitimate recreational activity that can be accommodated in carefully selected sites.

Rules for Off-Leash Dog Areas

- Dogs must be properly licensed and vaccinated.
- Dogs must be leashed prior to entering and upon leaving the off-leash area and in transition corridors.
- Owners must have a visible leash at all times.
- Owners must be in verbal control of their dogs at all times and prevent aggressive behavior, biting, fighting or excessive barking.
- Owners are liable for damage or injury inflicted by their dogs.
- Owners must possess a device for cleanup and disposal of feces.
- Dogs in heat are not allowed.
- Dogs must stay within signed boundaries.
- Owners must comply with all other park rules and regulations.
