

√ SPECIES	SCIENTIFIC NAME		HABITAT
Amphibians			
Salamanders			
Tiger Salamander	<i>Ambystoma tigrinum</i>	U	O,W,D
Frogs and Toads			
American Toad	<i>Bufo americanus</i>	A	O,S,F,W,D
Cope's Gray Treefrog	<i>Hyla chrysoscelis</i>	C	O,S,W
Gray Treefrog	<i>Hyla versicolor</i>	C	F,W
Spring Peeper	<i>Pseudacris crucifer</i>	R	F,W
Western Chorus Frog	<i>Pseudacris triseriata</i>	A	O,S,W
Green Frog	<i>Rana clamitans</i>	U	W
Northern Leopard Frog	<i>Rana pipiens</i>	C	O,S,W
Wood Frog	<i>Rana sylvatica</i>	U	S,F,W
Reptiles			
Turtles			
Spiny Softshell	<i>Apalone spinifera</i>	U	W
Snapping Turtle	<i>Chelydra serpentina</i>	C	W
Painted Turtle	<i>Chrysemys picta</i>	C	W
Blanding's Turtle	<i>Emydoidea blandingii</i>	R	W
Lizards			
Prairie Skink	<i>Eumeces septentrionalis</i>	U	O,S
Snakes			
Western Fox Snake	<i>Elaphe vulpina</i>	R	O,S,F
Eastern Hognose Snake	<i>Heterodon platirhinos</i>	R	O,S
Northern Water Snake	<i>Nerodia sipedon</i>	U	W
Brown Snake	<i>Storeria dekayi</i>	U	O,S,F
Redbelly Snake	<i>Storeria occipitomaculata</i>	C	O,S,D
Plains Garter Snake	<i>Thamnophis radix</i>	C	O,S,F
Common Garter Snake	<i>Thamnophis sirtalis</i>	C	O,S,F,W

Abundance Codes

- A Abundant, easily seen in all parts of the county
 C Common, regularly seen in most parts of the county
 U Uncommon, but predictably occurring in specific areas or habitats
 R Rare, seen infrequently, unpredictable

Habitat Codes

- A Aerial – birds most often seen in flight or soaring
 O Open Country – grasslands, prairies, meadows
 S Shrubs/Small trees – fencerows, forest edges, overgrown fields
 F Forests – woodlots, mature trees with closed canopy
 W Water/Wetlands – ponds, lakes, rivers, marshes, swamps
 D Developed – buildings, feeders, trails, roads, bridges
