

# HELPFUL SERVICES

## ***Security***

When the permit holder is required to have security service personnel present at their event, (concerts or other specified events) arrangements must be coordinated in advance with Ramsey County Sheriff's Department. Security personnel are provided at an additional fee to the permit holder. Every effort will be made to limit any required security services to those necessary for the comfort and safety of the people attending the event.

Enclosed is an information sheet that provides additional information on security fees and process for reserving security personnel.

## ***Catering***

Catered food service is available to group users of Aldrich Arena. If catering services are necessary, please contact the Ramsey County Parks and Recreation Department to receive a list of current catering service providers.

Food and beverage sales within Aldrich Arena are the exclusive right of food service providers. The scheduling of the concession stand operating hours and conditions should be coordinated with the food vendor and Ramsey County. All profits from concession sales shall be retained by vendor and Ramsey County.

## ***Tickets***

Permit holders are responsible for printing their own event tickets. Ramsey County can refer the permit holder to area suppliers.

## ***Insurance***

Permittee agrees to carry the required certificate of insurance for comprehensive general liability in the minimum amount of \$1,500,000 per occurrence, \$1,500,000 general aggregate, \$1,500,000 food product liability per occurrence (if applicable) and fire/property damage in the amount of \$100,000 per occurrence. The required insurance certificate must name Ramsey County, its officials, agents, employees and volunteers as additional insureds. A copy of the certificate must be submitted to the Ramsey County Parks and Recreation Department administrative office THIRTY (30) DAYS PRIOR TO THE SCHEDULED EVENT. Permittee shall furnish County with Certificate of Insurance that verifies such insurance is in full force throughout the term of permit.

## ***Indemnification***

Permittee shall defend, indemnify and hold harmless the County against all actions, claims, demands, liabilities and damages, whether to persons or property or both, which may be imposed upon or incurred by the County as a consequence of, or arising out of, any act, default or omission on the part of the Permittee in connection with the activity which the Permittee is conducting.
