

Green Spaces, Fun Places

Digital Photographer

Project Goal:

To take quality professional digital pictures of parks, open spaces, special facilities, and activities provided by the Ramsey County Parks and Recreation Department.

Project Coordinator:

Angela Mens-Eastman, Recreation Services Supervisor / 651-748-2500 / angela.mens-eastman@co.ramsey.mn.us

Location:

Any existing regional parks, county parks, trails, open space areas or facilities owned and maintained by Ramsey County Parks and Recreation Department.

Tasks:

1. Complete volunteer application and interview with Volunteer Coordinator.
2. Receive volunteer orientation and picture assignments.
3. Take assigned digital pictures and e-mail to parks@co.ramsey.mn.us .

Qualifications and Project Requirements:

1. Adequate supervision must be provided to volunteers 18 years and under.
2. Serious hobbyist or professional digital photography experience necessary.
3. Sign the Ramsey County Volunteer Photographer Agreement Form.

Project Restrictions:

1. Digital photographer must be sensitive to encroachment on park users' recreation time.
2. Digital photographer must use Photography Consent Form when taking identifiable pictures of park users.

Time Commitment:

This project is designed for a two - year commitment.

Training Plan:

The volunteer or group representative will meet with the Volunteer Coordinator to discuss digital photograph selection, required tasks and optional tasks. Assignment site visits may be conducted.

Ramsey County Parks and Recreation will provide:

1. Permit letter to conduct volunteer digital photography with the Ramsey County Park system.
2. Photography Consent Forms.

Volunteers will provide:

1. Travel arrangements and costs to and from the volunteer location.
2. Clothing appropriate for the project.
3. Snacks, meals, or beverages during the project.
