

OPEN HOUSE MEETING

**RICE STREET (CSAH 49)
County Road B2 to County Road C2**

Meeting Scheduled for Tuesday, December 6, 2011 from 4:00 pm – 6:00 pm

@

**Little Canada City Hall
515 Little Canada Road E**

To: Resident/Business Owner;

Ramsey County in cooperation with the Communities of Little Canada and Roseville are hosting a Public Open House meeting for the Rice Street Reconstruction Project (County Road B2 to County Road C2). This meeting will provide the general public information and details as it relates to the reconstruction of the project. A brief presentation will start at 4:00 pm with an overview of the project.

This project is anticipated to start construction in the late summer of 2012. The construction season of 2012 will focus on the relocation of private utilities. Road reconstruction will begin in the spring of 2013 and is anticipated to be completed in the fall of 2013.

The objective of the public open house is to educate the general public and adjacent property owners of the project improvements and schedules. The following is a list of information that we will have available at the meeting:

- Roadway Layout and Improvements
- Proposed Public and Private Utility Information

In addition, Ramsey County will be hosting a web page for periodic updates about the project at the web address of <http://www.co.ramsey.mn.us/pw/index.htm>. Look for the link under Proposed Projects Rice Street (County Road B2 to County Road C2) towards the bottom of the page. We encourage residents/business owners and the general public to sign up for the updates on our website. The website updates will be our primary communication tool during the construction of the project and will be sent out biweekly or as needed during the construction of the project.

We look forward to meeting with you at the public meeting. If you are not able to attend the meeting and have any questions about the project please contact Jerry Auge, Jr. PE at Ramsey County at (651)-266-7117 or via email at jerry.auge@co.ramsey.mn.us.
