### Project Update

Construction continues on County Road D from White Bear Avenue to Flandrau Street. Shafer Contracting has been making good progress. This update focuses on Opening of Dalen Road (west Mall Entrance), Closure of Southlawn Avenue (between County Road D and north of Legacy Parkway), and Concrete paving schedule for County Road D.

Dalen Road was opened on June 1<sup>st</sup>. Access to the Maplewood Mall ring road and surrounding businesses have full access to Dalen Road at this time. We do have another planned closure on Dalen Road starting June 21<sup>st</sup> through the week of June 28<sup>th</sup>.

Shafer Contracting will be closing Southlawn Avenue from County Road D to just north of Legacy Parkway on June 7<sup>th</sup>. This closure will continue through the concrete paving of the south side of County Road D from Flandrau Street to Earnest Way (east mall entrance). A detour will be provided for motorists and will be in effect through the week of June 28<sup>th</sup>. The detour will be posted on County Road D, White Bear Avenue and Beam Avenue. See detour map.

Concrete paving on the south side of County Road D (from Flandrau Street to Earnest Way) is scheduled to occur the week of June 21<sup>st</sup>. This concrete work will continue through the week of June 28<sup>th</sup>. Access to the south side of County Road D will be limited while this work occurs. The concrete paving of County Road D will require the closure of access to Southlawn Avenue and Dalen Road for a two week period. The closed accesses will be opened up as soon as possible. We will have the detour setup on County Road D, White Bear Avenue and Beam Avenue. This closure is schedule to start June 21<sup>st</sup> through the week of June 28<sup>th</sup>. We will continue to keep the public updated on this work in the next few weeks to come.

We encourage businesses to post this update at their business to keep customers and the general public updated on the project.

Ramsey County will periodically update the general public/subscribers on the White Bear Avenue and County Road D project regarding the construction status through our website notification system. This system will send out, via-email, notifications when the website is updated to all subscribers. Please register your email address at [www.co.ramsey.mn.us](http://www.co.ramsey.mn.us) and click on e-Subscribe (in top left corner), register your e-mail address, choose your areas of interest (White Bear Avenue), and your connected!

### Contact Information

We appreciate your cooperation with this project and do not hesitate to contact us if you have any questions about this project. You can contact Bret Wieman regarding construction related issues at 651-248-0027, Nick Fischer 651-248-2670 or Jerry Auge at 651-266-7117.
