RE: Amendment to 9/4/09 report

A review of our database with respect to our 9/4/09 report indicated the following inadvertent error:

A disbursement in the amount of \$60.00 made on June 18, 2009, to the Federal 7th Congressional District DFL Committee.

It appears from section 10A.27 Sub. 1(c) and the Bipartisan Campaign Reform Act that our committee is prohibited from depositing money into a federal account. After the error, we contacted the Federal 7th Congressional District's treasurer to clarify the situation and seek a remedy.

We've received the refund from Federal CD 7 (please note that this contribution will appear on our next report).

We apologize for this oversight.
