RE: Clarification of COBRA

To whom it may concern:

The expenditures listed as made to "Al Franken for Senate" are not a political contribution. This expenditure was made to cover the cost of COBRA health insurance for a former Al Franken for Senate employee that is now an employee of the Chris Coleman for Saint Paul campaign.

Please do not hesitate to contact the campaign if you have further questions.

RE: Amendment to 2/2/2009 Report

A review of our database with respect to our 2/2/2009 report indicated the following inadvertent errors:

Several contributions received by this campaign committee were not originally disclosed on the 2/2/2009 report or were disclosed with inaccurate amounts.

Upon realization of aforementioned contribution issues, some individuals and/or organizations exceeded contribution limits and must be refunded.

Please note that all contributions are fully detailed at the end of this amendment.

Due to the changes in our records, slight adjustments were made to the reported small and large contributions to reflect these changes. However the reported Cash on Hand remains the same. These adjustments can be viewed in the revised Campaign Financial Report form that is included with this amendment.

All refunds have been administered to the appropriate parties and will be fully disclosed within the 12/03/2009 report.

We apologize for these oversights.
